This special emphasis is begun with the giant rally on Friday, March 13th, at which outstanding guests will be featured. Dr. Claude Rhea, a renowned musician, will lead the congregational singing and present special music for this rally.

Town Marshal Fred Bourgeois said.

Mrs. Kimbrell suffered minor bruises and a cut on the nose. Mercodet, who was driving a 1957 Plymouth, was not injured.

## RC Drive Lagging

The Red Cross Fund Drive, conducted annually in the county by the local chapter and a host of volunteer workers, entered its second week with contributions coming in "rather slowly." Co-chairmen Robert L. Hamilton and W. Ray Gordon reported today.

Lagging collections were blamed partly on inclement weather which has plagued the area recently.

Goal for the drive is \$3752.00, \$1737.00 of which will be sent to national headquarters.

"After the 1947 hurricane which caused great destruction in Hancock County," Hamilton said, "over \$200,000 worth of disaster relief was provided by national headquarters. When one thinks of the average \$1500-\$2000 sent annually to national headquarters from this area, one must also be reminded that it will take some years before the citizens of this county will come anywhere near repaying this amount by their annual contributions."

"As recently as two years ago when Hurricane Brenda caused some damage here, disaster funds were made available by the American Red Cross," Hamilton concluded.

Door to door canvassing is being conducted throughout the county and Hamilton said a first report will be available sometime next week.

The three-week Spring term of Hancock County Circuit Court convened on Monday morning, with Judge Leslie B. Grant presiding. After the opening formalities, Charlie L. Lee was named for man of the Grand Jury.

Others named on the panel were Wiley G. Frierson, Burdick Hester, Victor E. Lind, John J. Green, William E. Mitchell, J. G. Smith, Maurice A. Martin, Ralph Miller, Jervely Saucier, Wilmer Smith, Henry Osoinach, Jr., Archie McQueen, Oscar Peterson, Jr., Avenel J. Cuevas, Sr., Chester M. Bourgeois and Clayford Mitchell.

A. C. Mitchell, Circuit Clerk, said that court was recessed on Wednesday and will reconvene on Friday morning of this week. No cases have been tried as yet, although the Grand Jury examined 24 witnesses, and returned 12 true indictments as follows:

State versus Willie Necaise, Manslaughter; Melvin Joe Johnston, Grand Larceny; Robert L. Heath, Armed Robbery; Robt. Heath, Jr., Burglary; Walter Gorman, Burglary and Larceny; Walter Gorman, Burglary; Harold Lee Coston, Bigamy; James Ellis and Melvin Joe Johnston, Grand Larceny; Walter Gorman, Burglary and Larceny; Jerry Don Kichter, Accessory after the fact.

Two other indictments were returned.

The complete report of the Grand Jury follows:

We, the Grand Jury, having been duly empaneled, sworn and charged for the term aforesaid and the Court aforesaid, have been in session for three days, during which time we have investigated 18 cases have been heard, 24 witnesses and have returned 12 true indictments.

We have inspected the County Jail and found butcher knives, forks and other things that could be used as weapons, and feel they should be removed so that the prisoners cannot get to them while not under supervision. Wires

After investigating the delay in getting the hospital plans approved, we find that they have now been approved and will be advertised for bids to be opened on the 27th of March, 1959, and attorney for the Hospital Board of Trustees seems to be doing an excellent job in following up and assisting the Board of Trustees, and we feel the report on this delay was satisfactory.

We also feel that being the only County in this District not having a County Prosecuting Attorney, that the Board of Supervisors might find the creating of the office of County Attorney one of the ways to assist the peace officers and judges in returning juvenile delinquents to a better life or to the right path of life, since we are not a large enough County to have a County Judge.

We the grand jury also strongly recommend that the future grand juries be furnished a copy or copies of the State statutes covering the duties and limitations of the grand jury when they are empaneled.

And now having concluded our labors, we beg to stand finally discharged.

Respectfully submitted, CHARLIE L. LEE, Foreman

### Lenten Menu For Monthly Luncheon At Yacht Club, March 18

A Lenten menu will be featured at the monthly luncheon of Bay-Waveland Yacht Club Women's Auxiliary, March 18.

Hostesses are Mesdames Roy Dennis, Walter Hava, W. Ray Gordon, R. A. Steinmayer, H. Ratentburg and J. R. Foegele.

Reservations must be made with the hostesses or by calling the club before noon on March 17. No reservations will be accepted after that time.

After visiting the County Home, we recommend that the Home be furnished with a deep freezer so the custodian can take advantage of the savings on seasonal commodities and fresh meats. We find in the preceding grand jury reports that this has been recommended before and feel this should be expedited to save the County tax money. We would like to commend Mrs. Fricke, the custodian, for her good management and sincere interest, and as far as this grand jury can see, the inmates are very happy, contented, and well cared for. We also feel that the Home needs fire exits in each wing of the sleeping quarters.

We also visited the temporary County Health Office. While no one was in the building, we inspected it and found it to be in a very good condition.

We, the grand jury, have inspected the Courthouse and found every department in need of repair, paint and thorough cleaning. We find that the March, 1958, Term of the Grand Jury recommended that a Federal and State flag, preferably on a stand, be placed on each side of the Judge's bench, and that since now the forty-eight star flag is obsolete, this should be replaced with the forty-nine star flag.

In checking, we find that the reason for the Courthouse not being kept in a good state of repair and cleanliness, is that there is not sufficient labor, and we feel since the Sheriff is the custodian of the County Courthouse grounds, he could do a much better job if he had a budget to take care of the hiring of necessary help to see that this work is completed and kept in good order.

and extension cords in the hall and cells of the jail could be used to harm the jailer or prisoners. We found the jail in a very clean condition except for the inside of the stove which needs cleaning. We recommend that it be kept in a clean and sanitary condition with the adjustments recommended.

ELIGIBLE FOR LAMB  
PAYMENT, SAYS LEE

Lamb producers should keep in mind that only unshorn lambs will be eligible for lamb payment under the wool program, Pittsburgh, Pa., Chairman of the Hancock Agricultural Stabilization and Conservation County Committee, advised today.

The program, authorized by the National Wool Act, provides for incentive payments based on the liveweight of the unshorn lambs that have been marketed. Payment, the average weight of wool per hundred pounds of lamb, and the number of lambs in relation to shorn wool.

Payments on lambs sold between April 11, 1958 and March 1959, will be made this summer when the average yearly prices received by growers can be determined.

Each two people will need to have a card table to work on and everyone will bring sandwiches for lunch and be at the Library at 9:45 in order to be set up and ready to begin work promptly at 10.

unshorn lambs sold after March 31, 1959, will be eligible for payment under the 1959 program which runs from April 1, 1959, through March 31, 1960.

Chairman Lee explained that the lamb payment is made under the wool program in order to encourage the normal marketing of lambs before shearing. Without this payment, there might be unusual shearing of lambs in order to obtain the incentive payment on shorn wool.

Lamb producers are urged to keep full sales contracts and other records pertaining to the purchase and sale of unshorn lambs. These records are required when the application for payment is filed in the ASC county office.

## Raymond Banderet Wedding Sunday

Our Lady of the Gulf Catholic Church was the scene Sunday afternoon March 8 for the wedding of Miss Gail Banderet, daughter of Mr. and Mrs. Carl J. Banderet of Bay St. Louis and Gary D. Raymond, son of Mr. and Mrs. Harold D. Raymond of Des Moines, Iowa. Reverend Father Adrian Mercer performed the double ring ceremony.

The bride given in marriage by her father wore a street length dress of white chintilly lace over satin, fashioned with a sabrina neckline. Three-quarter length sleeves, and matching jacket. The waistline of the fitted bodice was finished with a white satin ribbon ending in hem line streamers in the back.

Her finger-tip veil of illusion was held in place by a small tiara of seed pearls. She wore white brocade satin pumps and carried a missal topped with a white orchid. Her only jewelry was pearl earrings.

Miss Katherine Matherne was maid of honor and Miss Nannette Penrose served as bridesmaid. They wore identical gowns of sky-blue taffeta made with bouffant skirts. The bodice, featuring a round neckline in front, deepened into a V in the back with streamers falling to the hemline. Matching satin pumps and a flat bow of the blue taffeta worn on their head completed their attire. They carried cascade bouquets of pink feathered carnations.

George E. Smith, of Keesler A. F. B. served as best man and Lawrence R. Ficus of Keesler was groomsmen. Ushers were Henry Monti, Jr. and Herbert Cardin.

Following the ceremony, a reception was held at the Knights of Columbus Hall. The bride's table, covered with a white lace cloth, was centered with a four-tiered wedding cake encircled with fern and white carnations, flanked on either side with silver candelabra holding white tapers.

Mrs. Banderet received the guests attired in a beige silk brocade dress with matching accessories. Her corsage was of white carnations. She was assisted in receiving by the groom's mother who chose an ecru silk dress with matching jacket and beige accessories. A white carnation corsage completed her ensemble.

For traveling the bride wore a red faille fitted suit, black shoes, white hat and gloves. Her corsage was the orchid from her missal.

After a wedding trip along the coast Mr. and Mrs. Raymond will be at home in Des Moines.

### UNITED NATIONS CONTEST

On Thursday morning, March 7, two Bay High students, Libbeth Fenn senior and Mary Ann Paulman, junior, participated in the 33rd Annual High School Contest on the United Nations by taking a rather difficult three-hour test.

The test was conducted by Miss Julia Blaise, Social Science Department. It consisted of fifty (50) short answer questions and two (2) long answer questions on the United Nations and related problems.

Libbeth and Mary Ann are to be commended for the work and time which was spent in preparation for taking the test. They have gained a fund of knowledge which in itself is a great satisfaction.

Girls who take Homemaking III under Mrs. J. J. Erwin, homemaking instructor, were given a demonstration on cooking with electricity in the homemaking department last week. Miss Beale Lee Welch and Miss Winona Letimer from the Mississippi Power Company showed the advantages of an electric range. The demonstration consisted of a one-dish meal and a dessert prepared by surface cooking and broiled tidbits and hot rolls from the oven in less than an hour. Miss Gloria Denson from Mississippi Southern and Miss Sylvia Grice from Miss. College, student trainees, presented the same demonstration to the third and fifth period second year homemaking classes.

"The Bay High Tigers are in the third week of Spring Football practice. We have had two scrimmages up to date and several of the boys have been showing up well," stated Coach Lance Lumpkin this week.

"Our squad consists of 38 boys and all have taken part in some contact work. We have 9 remaining lettermen in the squad."

Gerald Pavre, Milton Bernard at ends and Joe Pernicelli at tackle; Wood Alliston and Floyd Christy at guards and Jim Mayfield at center; in the back field, Barry Stephens, Lester LaFrance and Bill Watts. Newcomers to the team are Bobbie Van Calsem, Morris Lizana, Glen Blaize, and Ronnie Peterson at quarterback. Gene Carver and Emile Schindler are among the group of linemen who are showing up well every day. The line competition should produce some fine boys for next year.

## "I'll Give My Life" To Be Presented At The Legion Theatre, Gulfport

Prominent Ministers have this to say about "I'll Give My Life."

"I don't have the name of the picture before me now, but I believe it is 'I'll Give My Life.' Anyone who sees this picture should become more deeply interested in the mission program of the Church, especially as it reaches into the sections of the world that have not had the advantages and blessings of Christ as we have here in America. I do not hesitate to give my strongest endorsement to the picture and to the purpose for which it was created and is being given. You are doing an excellent mission by means of your screen in making this picture and all its lessons available to the public. It is not my wish, but my sincere prayer that many people in your community will avail themselves to the privilege that you are offering."—Wilkesboro, N. C.

"Excellent! More films of this type should be made and exhibited to the general public."—Gastonia, N. C.

"I am most happy to have had the opportunity of viewing this stirring picture with your compliments and I wish to express my sincere thanks for your kindness in this respect."

"I hope many of our church members will have the opportunity to see 'I'll Give My Life.'—Stanley, N. C.

short talk on the purpose and meaning of the American Legion Auxiliary.

Hostesses for the social hour were Mrs. A. J. Pitalo, Jr., and Mrs. C. J. Piazza.

James Stewart and Kim Novak are featured in "The Philadelphia Story" which arrives Sunday at the Legion Theatre, Gulfport, Miss.

Stewart and Lemmon are both Academy Award winners: Stewart for his comedy performance in "The Philadelphia Story" and Lemmon for his hilarious work as the enigma of "Mr. Roberts."

Novak has a considerable reputation in Hollywood not only for her beauty but for her wild-haired light comedy talents. Miss Gingold is considered one of England's most urbane interpreters of the eccentric, and Miss Lanchester is famous for her characterizations. Ernie Kovacs, with a tremendous TV following, became an immediate screen star as a result of his antics in "Operation Mad Ball," where he also was paired with Jack Lemmon, and Janice Rule is one of the most popular new stars of Broadway and Hollywood.

"Bell, Book and Candle" is backgrounded with some of the most expensive "props" in screen history, works of primitive art valued at thousands of dollars. The masks, dolls, fetishes, statues and other objects were loaned to Producer Julian Blaustein by the world-famous Carlebach Galleries in New York.

Daniel Taradash, Academy Award winner for his "From Here to Eternity" screen play, adapted "Bell, Book and Candle" for the screen from the John Van Druten play as produced in New York by Irene Mayer Selznick. Richard Quine directed the Phoenix production for Columbia Pictures.
